

## YOUR FOUNDATION

Peel Health Campus Foundation was launched in 2005 to help raise funds for health needs in the Peel Region. The Foundation's inaugural project is the establishment of a dedicated Paediatric Unit at a cost of \$3 million.

This state of the art facility will be accessible to thousands of families, ensuring that their children receive the best possible care.

Bequests will form a part of the voluntary contributions that we receive each year and will be a vital source of income to enable us to reach our important first goal. We need to increase our level of bequests in order to provide for the next generation of children.

Surely there can be no finer legacy for anyone to leave, than the gift of care and even life for a sick child.

### Why Make a Will at all?

Your Will is your gift to your family, friends or your favourite charities and organisation...it is your choice...with a Will your assets can be distributed exactly the way you want, instead of leaving it for someone else to decide.

### Making Bequests

Bequests are the gift you nominate in your Will. You may word them as you wish. Should you leave a gift to Peel Health Campus Foundation you may wish to consider leaving it at the foundation's discretion in order to address the hospital's need at the time your gift is received. Suggested wording is overleaf.

### Making a Will

Although you can draft your own WILL, we recommend professional advice.

- Take proper advice from your own solicitor or one who is recommended to you.
- Make your intentions clear
- Keep your Will up to date
- Keep your Will safe, where it can be found.

## CONFIDENTIAL

It is entirely up to you whether you choose to disclose any details about your bequest, but if you do so, it will help us plan for the future. Naturally this pledge is simply a statement of your present intentions and is not in any way binding.

✂ \_\_\_\_\_  
-

- I have already included PHCF in my Will.
- I intend to include PHCF in my Will.
- I wish to make an appointment to discuss making a bequest to PHCF
